Weather Delays and Closings

If the SCSD doesn't delay and we do, they will not delay buses, so kids will arrive on time (more or less) in spite of the delay. We try to follow the SCSD decisions because most of our students are in this district and this has not been a problem in the past. So, what does this mean for the future? **Watch the TV.** I am not inclined to make last minute decisions as that causes problems for families. If I have reliable information, I will make every effort to close by 6:30. In the event that Syracuse city goes from a 2 hour delay to canceling school after we have made it known we also are on a 2 hour delay the teachers will decide whether we close or continue with the delay. **Keep your eye the TV to see what Parkview is doing.**

When we are on a 2 hour delay students can arrive no sooner than 9:45.

SCSD will not be transporting any students on the following days:

Volunteers

Dear Parents, guardians,

When you registered your student at the beginning of the school year, you were informed that we were implementing mandatory volunteer jobs for you to do in exchange for the tuition discount you receive. If you are getting tuition assistance you are required to put in 2 hours a month and if you pay the full tuition you are asked to volunteer 1 hour a month. We don't have a paid custodian so we are depending on you to help keep the school clean and tidy. You will be charged \$25. on your statement if you don't fulfill your part. The teachers have full time jobs teaching and doing lesson plans. It isn't their job to clean as well. Below is the list of jobs that need attention weekly. Please help

us! **Thank you!!!** to all of you who have responded.

Mandatory Volunteer's Job List:

Sweep hallway floors
Mop hallway floors (Fridays)
Clean all entrance glass doorways
Water plants inside and out
Vacuum hallway rugs every afternoon
Assist with lunch prep, serving and clean up
Assist teachers
Sweep gym floor
Vacuum stage carpet
Clean appliances on the surface
Sweep & mop kitchen floor on Fridays
Clean Bathroom in pre-k room

Home & School

What a wonderful time we had at the **International Food Festival** this past weekend! Thank you to all our booth representatives and those who attended. Home & School raised \$855 towards our projects this year which include padding for the beams in the gym, updates in our nature center, and a contribution towards a new boiler.

The Replacement gODs DVD

Join us in the sanctuary following the Parkview worship service and potluck on March 16 for a screening of the Replacement gODs documentary, produced by Little Light Studios. We invite parents and children to watch this documentary together.

"Replacement gods takes a look at the super hero phenomenon taking Hollywood by storm. Every reliable information, I will make every effort to close by 6:30. In the event that Syracuse city goes from a 2 hour delay to canceling schoculture since the dawn of time has told

fantastical tales of heroes that have saved humanity from some unspeakable evil. The effect these mythological tales had on humanity when the true Savior Jesus Christ arrived on Earth was devastating. Many didn't recognize Him because they were seeking a much different hero. Did the Devil blind us from Christ's first coming by flooding the world with counterfeits of God's prophesies? Since Super Heroes in comics are based on classical myths, is the Devil blinding us again from the greatest supernatural event the world will ever witness, Christ's second coming?"

Parkview 3K Color Dash & Work Bee

Mark your calendars for our 3rd annual Color Dash on April 7 @ 10am. Following the run, we will gather together for a work bee to accomplish some projects in the school's nature center.

Thank you to those families who have already submitted address labels. In order for students to participate in the color run we are asking for **each family** to submit 10 addresses of friends and family members who would consider sponsoring your student(s) for this event. ***Please complete the address labels that were sent home with your student and return them ASAP.*** We plan to mail out sponsorship letters beginning next week. If you need more labels, please contact Kelsey at 315.935.9631.

Families who provided an email contact to the school should have also received an email from **Color Blaze, our online donation platform.** Each student has been set up with an account which you can personalize (including customizing your fundraising goal) and share through social media and/or email. Online donations are a big contributor to our overall fundraising goals so we appreciate your use of this resource.

A minimum sponsorship of \$30 is required for students to receive a race kit including a t-shirt and other goodies. This is such a fun event and we thank you for your support.

The Fox Den Pre-K!

The Fox Den Pre-K is ENROLLING NOW for August 2019. We have **5 spots** remaining. Please contact Kelsey for more details.

Redeemable Bottles

Remember to drop your CLEAN, REDEEMABLE bottles in the tall, white cardboard box located in the back hall by the bathrooms. Money collected from the bottles goes towards our No Child Left Out fund which supplements tuition expenses.

BoxTops for Education™

Parkview is a BoxTops school. Please look for these labels on the products you buy. You can also download the BoxTops app for an opportunity to receive special coupons and earn extra BoxTops. Every clip counts! Turn in labels to **Mrs. King** in the school office.
