### For Today

## Protection

The Bible informs us about the protection of God. As humans, we want to see God's protection as a magic force field that keeps us from all harm. Yes, God can prevent any evil or destruction, but we must remember that we live in a fallen world where we have free will. Many times, God works in ways that we do not understand. Sometimes God's protection comes in the form of peace and strength in the middle of despair. Other times God's protection comes as an ending because he sees something more on the horizon that we cannot see.

As a believer in Jesus, we are promised a new life covered under the protection of God, in which NOTHING can separate us from His love. Rest knowing that no matter what hardship you face, God is your provider and protector! These Bible verses below about protection will help you focus on knowing there is a bigger plan and God has chosen you for greater things!

### *A Prayer for Protection*

*Father, I want to live in the shadow of Your wings. When life is hard and I don't know what to do, help me remember that You are with me and that I am never alone. I cannot live without You. I cannot face tomorrow without the promise of Your presence. Today I choose to walk and live under the protection of You, the Most High. In Jesus' name. Amen.*

Listen to and meditate on these prayers for God's protection as you are encouraged by the following Scriptures. Thank God and ask Him to strengthen your faith!

1 Cor 10:13

2 Thess 3:3
