

## OBITUARY

Terry Scott Sadler, age 63, of Wynyard, SK passed away suddenly on August 2, 2023. Terry was born on April 17, 1960 in Watson, SK to Alex and Karen Sadler. He was the oldest of four children.

Terry went to Jansen school before starting high school in Wynyard, where he graduated. After school, Terry explored many interesting jobs from a camp cook in Fort Nelson, BC, working with Potzus Construction on the Alaska Highway, and working with his Dad. Terry eventually started working at Sofina Foods where he stayed until his retirement in the spring of 2023.

Terry enjoyed long country drives and music. Music was Terry's one true love in life. If there was music, he was up dancing. Terry was a sweet, loving soul. No matter who you were, or what mood you were in, he would warm your heart with his character, laughter, and big hugs. He will be greatly missed by so many family and friends.

His memory will forever live on in the hearts of his mother, Karen Sadler, his sister, Debbie, his nieces Michelle and Barb (James), and his great-nephews Nathan, Dylan, and Bently. Additionally, he will be dearly missed by his dear friend Carrie, as well as numerous aunts, uncles, and cousins who were touched by his kindness.

Terry was predeceased by his father Alex, brother Rodney, sister Sandra, grandparents and various aunts and uncles.
