Heaven Has One More Hero

Upon this earth I served with pride
I fought for the red, white and blue
There were many days I was not home
But I always returned home to you

When Heaven needed a soldier
I stepped up to answer the call
God's Army is so beautiful
You should see them standing tall.

There are no wars in Heaven
No pain or suffering
We gather all the soldiers
Just to hear the angels sing

I am serving in God's Army now
I am proud, for Him I strive
To serve His Holy Kingdom
In Christ, I am alive.

In Loving Memory of

Myron Virgil Lueck
