LOVING TRIBUTES

La'Ron Deshawn Dolly

Son,

I remember when you were small and now you would hold my hand. and as you grew older you became my best friend. Son, I have years of memories that will Treasure and Keep safe in my heart. We share a bond that time and distance can never break apart. Son, my heart aches SO. I would love to have you back and never let you go. Son, where there was happiness now there is sadness. Son, how long to hear your voice and see your beautiful smile and have you back just for a little while. Son, until that day I'll see you again I will look to the sky and search among the stars for my son and best friend my sweet baby boy.

~Momma

Grandson,

You gave no one a last farewell, nor never said goodbye. You were gone before we knew it and only God knows why. A million times we will miss you, a million times we will cry. In our hearts you hold a place no one else can ever fill. It broke our hearts to lose you but you didn't go alone because part of us went with you the day God took you home. We will meet again some day I know in a better place. I thank God he made you my grandson while you were here on earth. Loved beyond words. Missed beyond measure.

Always & Forever in my Heart

Granny

Dear Lil-Big brother,

Thank you for being the big brother that I needed even though you were my little brother. Thank you for always having my back and support no matter what I wanted to do. Thank you for allowing me to be your big sister to you and get on your nerves every chance I got. Thank you for all the things you have done for me even though I probably didn't deserve it. Thank you for making me an auntie to five beautiful children that I'm always going to be here for.

**I LOVE YOU SO MUCH REST IN PARADISE
YOUR BIG SISTER MALAYSIA**

Who you were You stood tall like a statue, someone to admire.. Everyday of our life was wonderful like the flames of a fire.. We watch videos of you and see how much you loved life.. Losing you cuts as sharp as the blade of a knife.. You were the blueprint of who many wish they could be.. Everyday without you is not the life I wanted to see.. Every video I see you dance, makes me love your life more.. I will carry your name with pride, and we will meet again at Heavens door..

LOVING TRIBUTES

La'Ron Deshawn Dolly

Not Enough Time
The time we had, Dad,
Wasn't nearly enough
To pack in an entire
Lifetime of love.

There are so many questions
That I need answers to,
But now that you're gone
There's no way to ask you.

But there are still photos
To remember you by,
Each time I look at them,
I still want to cry.

They say grief is easier
to bear as time goes by,
But that doesn't stop me
from wondering why?

Why my dear, sweet dad
Was taken so soon,
When he was my guiding star,
My sun and my moon.

There are no answers
To a question like this,
So I'll cherish your memory,
And mourn the years we'll miss.

Thank you for your legacy
And all you chose to do,
We hope you know that we know
The best of us is you.

#DollyGang your first born Ly' Ajah Dolly

To Dad
The loss of my father will always
sting. But now everything I do is
in honor of him and celebrate his
life. I love you, Dad.

~Laron Jr.

Dear Cousin,
Forget me not today nor tomorrow too
Keep me in your memories
And I will be with you
Some days the rain will fall
But things will be just fine
Remember we need the clouds to pass
so the sun could shine
So cherish everything we had
Hold me in your heart
You'll know I'll always be with you
And we'll never be apart
I'm waiting on the other side
I'm not that far away
So remember me forever
Forget me not today

~Marcasia

La'Ron,
Your legacy will forever shine.
With memories of love, laughter, and grace,
You leave us with a smile on your face.
Your journey here was far too short,
But the impact you made will forever stick.
In our hearts, your spirit will stay,
Guiding us through life's joys and picks.
With every tear, we'll remember your smile,
And celebrate the time we shared for a while.
Your love, wisdom, and strength we'll hold tight,
And strive to live as you have spread all your light.
Rest now, dear cousin, in eternal peace,
Your love and light will forever release.
We'll miss you dearly, but know you're free,
And in our hearts, your memory will forever be.

Perhaps you sent a lovely card or sat quietly in a chair.
Perhaps you sent a funeral spray, if so , we saw it there.
Perhaps you were not here at all , just thought of us that
day. Whatever you did to console our hearts , we thank
you so much, whatever the part.
