

# Monarch's Message

Leading by Example

## WELCOME BACK!

KACS started their 15 year of operation on August 15, 2018. Ms. Kiture, our principal, is now teaching Math, Science, and Social Studies to grades 2-8. Mrs. Rolle is back teaching grades 2-8 Language Arts, Bible, and P.E. We also welcome Ms. Lauren as the Art & Technology teacher for grades 2-8. Mr. Julian is Chaplain and assisting with Bible classes. Mrs. Valdenegro is now teaching grades K-1, and Mrs. Fausther has Preschool. Mrs. June MacIntyre has before and after school care. We are excited to have to you join us this year!

Students enjoying the speaker

## Ben Roy visits!

The year started with a BANG! Literally, the ping pong ball that Ben Roy shot out of the tube made a tremendous noise when it blew through the soda can. Students loved hearing the Kids Time scientist and speaker teach spiritual values through science demonstrations. Both children and adults participated in shocking and magnetic activities. The presentation culminated in a fiery explosion when Ms. K lit the match! Ask her for details.

## Calendar
