

## Beautiful

Good morning beautiful! That is what I called her every morning, evening all through the day until we go to bed, because that is what she is to me, beautiful. I am missing you already. Starting our mornings listening to Gospel music, listening to you singing throughout the day all day. Missed singing with you and going for a ride and shopping on a beautiful day. I can on on about the things I am going to miss about you, there is no ending.

You are so beautiful, every time I think of you all I can do is smile. So I will always be smiling because I will always be thinking of you. Beautiful, you taught me so much and I love you and thank you for that. I thank you for your guidance, advice, and love. I am not going to say goodbye Beautiful, because I will see you, Daddy and Anthony again.  
Love you Beautiful until I see you again.
