## *An Eternal Memory of a Much Loved Son*

*This is for someone wonderful  
as loved as one could be  
for you were everything in life  
you meant the world, you see.*

*And sometimes life can be unkind  
when hearts are torn in two  
but nothing ever could compare  
to the pain of losing you.*

*But all the love you left behind,  
forever will live on  
and so until we meet again  
rest peacefully, dear son.*

## *In Memory Of A Special Brother*

*Today is full of memories  
of a brother laid to rest  
and every single one of them  
is filled with happiness.*

*For you were someone special  
always such a joy to know  
and there was so much pain  
when it was time to let you go.*

*That's why this special message  
is sent to heaven above  
for the angels to take care of you  
and give you all my love.*

*For Our Uncle*

*We have so many memories  
of the times we spent together,  
and even though your not here,  
We'll cherish them forever.*

*We miss your laughter so much  
and the mischief in your smile.  
When we feel the sadness welling up  
We'll remember it a while.*
