

Pathfinder Legacy Fund

"To All the World in My Generation"

Church Commitment & Request for Funds

The purpose of the Pathfinder Legacy Fund is for the Pathfinder and the club staff to have a relationship to Jesus Christ of such a nature that it compels them to share with any who will receive it, the gospel-the good news of His soon return. This fund was set up to honor Mr. Clyde Phillips, a long time Pathfinder, who felt limited funds should never be a barrier to anyone who wants to be a servant of God and friend to man.

Pathfinder Legacy Fund will assist Pathfinders and staff members by:

- **Providing registration subsidy for Washington Conference Pathfinder events for children ages 10-18**
- **Providing scholarships to Washington Conference Leadership weekend for new club directors.**

These events provide a unique opportunity:

- For Pathfinders to learn new skills, build better relationships and draw closer to God.
- To help the Pathfinder to reach high moral principles, attitudes of love, and determination in a positive, happy and secure atmosphere.
- To help club staff members become better leaders, obtain mentoring skills and develop a strong community within the Pathfinder organization.

Cancellation of scholarship: If funds are granted to a Pathfinder or staff member and the individual is not able to attend the event, the club director must contact the Legacy Coordinator to cancel the registration. Legacy Fund money cannot be transferred to another individual without consent. If the procedure is not followed, the Pathfinder could be at risk of losing access to future assistance for the rest of the year.

Pathfinder Name _____ **Age** _____
