## 1<sup>st</sup> & 2<sup>nd</sup> Grade Mrs. Kay Sutherland

### Happy Spring Break!

Please encourage your child to read next week over Spring Break! Reading Logs are due Monday when your child returns from Spring break.

I enjoyed meeting with each of you on Monday. Thank you for coming in a talking with me about your children's progress. I really enjoy each one of them. They are an awesome group of children.

**Spelling Test** for first grade, when we return from break, will be over lesson 24 words: mother, her, girl, your, or, for, are, \*Lord, \*first, \*circle.

**Spelling tests for second grade** will be over the words from lessons 20-24.

## 3<sup>rd</sup> & 4<sup>th</sup> Grade Mrs. Eva Hill

☺ **Have a great spring break!**

☺ **I enjoyed visiting with each of you** at parent-teacher-student conferences last Monday. We are on the "home stretch" and the third and fourth graders are working hard to "finish the race". I enjoy working with them so much—they're awesome!

☺ **It's READ-A-THON time!** Let's get lots of pledges and support for our read-a-thon on April 12. What a great opportunity to help the children at L'esperance in Uganda and to get a super fun day of reading at the same time!

☺ **White envelopes and signed grade reports** will be due on Monday, April 8, when we return to school. Try to fit some quality reading time into this break if at all possible. Enjoy!

☺ **Our field trip to the Oklahoma Aquarium** has not yet been rescheduled. I will let you know when we are going just as soon as I get confirmation.

☺ **Spelling lesson 27** will be our focus when we return from break and those words will be tested on Thursday, April 11.

☺ **Bring softball gloves to school** Monday, April 8, for P.E. Mark your glove clearly.

## 5<sup>th</sup> & 6<sup>th</sup> Grade Mrs. Janet Lopez

This week was a fun week. I enjoyed Track and Field day. I loved seeing the great sportsmanship exhibited by the students.

It was nice to visit with each family during Parent teacher conferences. I'm proud of what the students accomplished.

In Bible we are continuing to study Bible prophets and Kings. The students worked in groups to make posters which displayed all the kings of Israel and Judah.

In Reading the students are finishing a book called, "Small Steps," about a girl who contracted Polio. In English we reviewed quotation marks and also diagrammed more sentences.

Math for 5th grade was dividing fractions and whole numbers together. 6th grade is learning properties of multiplication and division and using them to help evaluate Algebraic expressions.

In Social Studies the students finished up their google slides and shared them with me. After spring break I would like to have the students share their google slides up front in class. Each presentation should be about 5 minutes.

In Science we are learning about gravitational pull. We will be doing some experiments with gravity.

Have an awesome Spring Break!
