Forever In Our Hearts

Steven B. LaDoux

*He never looked for praises
He was never one to boast
He just went on quietly working
For the ones he loved the most.*

*His dreams were seldom spoken
His wants were very few
And most of the time his worries
Went unspoken too.*

*He was there... A firm foundation
Through all our storms of life
A sturdy hand to hold on to
In times of stress and strife.*

*A true friend we could turn to
When times were good or bad
One of our greatest blessings
The man that we called*
