The Best of Us

*Dad, you know we'll miss you more
Than any words could say
But we know that you're with us
Each minute of the day*

*That's because we carry
Within our minds and heart
Our love keeps us together
Death cannot make us part*

*You're living here within us
With every selfless deed
Like when we show compassion
Or help a friend in need*

*Your spirit's shining through us
Each time we rise above
And when we take a moment
To show our strength with love*

*Those days we act with honor
Or share a joyful smile
We remind the world that you
Have been here the whole while*

*Thank you for your legacy
For all you chose to do
We hope you know that we know
The best of us, is you*
