Ozark Adventist School

Next Week Lunch: Mon. 10th Sandwiches / Tue. 11th Pizza / Wed. 12th Mac & Cheese / Thur. 13th Hot Dogs

Pre-K & Kindergarten Mrs. Beth Kobliska

New Theme

Our new theme is "Let's Be Friends". Our first book is called *This is Our House*. It's a fun story about how a group of kids learn that everyone has something important to contribute to playtime and all should be included. In Bible, we will study the story of Zacchaeus. Our memory verse will be: "Love each other as I have loved you." John 15:12

Science Chapel

Ozark Adventist Academy invited us to join them for a special science assembly on Wednesday and we loved it! Ben Roy presented an awesome program sharing all kinds of fun science concepts in a very attention grabbing way. What a special treat for us!

Letter of the Week

Our letter of the week will be **Mm**. Don't forget to look for the Show and Tell bag on Thursday so you can help your child be ready for Show and Tell on Friday.

Snack Days

Thanks for remembering your snack days. Coming up for bringing snack next week are: Monday, Brooke; Tuesday, Grace; Wednesday, Jonathan; Thursday, Kinsley.

New Student

We are happy to welcome a new student to Pre-K. Mia Cilio joined us this week and we are all enjoying getting to know her.

1st & 2nd Grade Mrs. Kay Sutherland

We enjoyed Spirit Week! Thank for all the time you put in to helping your children find great hats, Mismatch, crazy hairstyles and sports clothes! We had a

lot of fun this week enjoying your creativity

What a great **FIELD trip** we had with our Kindergarten friends. We saw some cool flowers! Thank you, Compass Fellowship for letting us use your bus.

Thanks to our **OAA friends for inviting us to see Ben the science guy. He was amazing! We loved it!**

Reading logs are due every Friday! Remember to listen to your child read 75 minutes a week. Pick books that are easy for your child to read.

Show and Tell is every Friday morning. Please help your child remember a family story, something about a pet, or a family outing or trip. Items that go along with what we are learning about in school are also appropriate. Second graders are learning about the desert in reading.

We are going to have our first **spelling test next Friday: First grade words are:** an, man, ran, can, cat, at, dad, *thank, *add, *ask. **Second grade words are:** add, ask, camp, fast, hat, have, last, map, plan, than, *apple, *asked, *bath

3rd & 4th Grade Mrs. Eva Hill

☺ **Spirit Week was fun!** We enjoyed seeing all the creative hair styles, amazing mismatched outfits, great hats, and sports clothes. Wow!

☺ **Developing good study skills** is a major focus in our class as it is so important in these early years. Having a positive attitude is the first step to success! Clayton Koh says, "Start with a positive 'I CAN DO IT' attitude. You are a smart kid, created in God's image. He's made your brain in an amazing way. Kids who know this and believe that they CAN do well WILL do well."

☺ **Social studies chapter 1 test** is next Tuesday. Students have notes that they should be reading through regularly during their at-home reading time.

☺ **We all loved the Science Assembly** by Ben Roy that we got to attend at the academy last Wednesday. The "flying screw driver" was one of our class's favorites. Ask your child to tell you about some of the cool demonstrations (if they haven't already ☺). Thanks, OAA, for inviting us.

☺ **Spelling words from lesson 5** will be tested next Friday.

☺ MULTIPLICATION!

In order to progress in math through third grade and beyond, students **MUST** memorize the multiplication facts to the point of quick recall. Regular individual practice, in addition to the practice we do at school, is necessary to master these facts. The 2's test is coming up quickly on September 10.

☺ **Treasure verse for next week** is "For I hold you by your right hand – I, the Lord your God. And I say to you 'Don't be afraid. I am here to help you.'" Isaiah 41:13

5th & 6th Grade Mrs. Janet Lopez

This week in Bible 5/6 students formed discussion groups to talk about the proof of Salvation in the texts and stories we studied. The students are learning the books of the Bible in order.

In Science we continue to learn about living things and what is needed for life. We are also learning to classify them into groups.

Math for 5th grade is single and double digit multiplication, Greatest Common Factor and Greatest Common Multiple. 6th grade is learning prime factors, Least and greatest common factors and multiples.

Thank you for keeping our parking lots safe.

Next Week Lunch: Mon. 10th Sandwiches / Tue. 11th Pizza / Wed. 12th Mac & Cheese / Thur. 13th Hot Dogs

In Social Studies we are learning about forces that shape the earth such as Volcanoes. We are also learning about the layers of the earth.

We started a new book in Reading called, "A Family Apart." The students will learn about the civil war, slavery, and the Underground Railroad. In writing the students are learning to write a book report. In Grammar we are studying types of sentences and the parts of speech.

Next Friday 5th and 6th will have a Math test over Chapter 1. Remind them to study Spelling, MV(which is the books of the Bible this week), and vocabulary.

Have a great weekend!

7th & 8th Grade Mrs. Lisa Tonack

Test Schedule:
Thurs. Spelling Test 5

Fri. Memory Verse Quiz
Revelation 4:11
Math Test 7th grade

Reading Logs/Grade Reports/White Envelopes: These are due every Monday with parent signatures.

8th Grade Mission Trip:

Eighth graders will leave Monday morning and return Friday by 12:15 p.m. We are heading to Camp Yorktown Bay to work on a project there for the week. Please keep us in your prayers. Seventh grade will have class as usual. Mrs. Tonda Smith will be the seventh grade substitute teacher. Each 8th grader has a 4-page paper about our Mission Trip to bring home for their parents. This paper outlines everything about our trip.

Library

Mrs. Joyce Shedell

Detectives: Stop by the library and pick up a paper to report your detective challenge. The challenge this semester is to read at least one book from each section: 300s, 500s, 600s, 700s, 818s, 900's 92s, and story books. You will receive 10AR store bonus points. Happy reading!

Accelerated Reader: Some of you are rushing through your book and are not doing well on the test. Do YOUR best! Ask your teacher how many points are required for each week or quarter.

Christmas Child boxes:

This week I purchased soap and washcloths for the boxes. Sadly there is not enough money in our fund to pay for them. Sooo please bring in your quarter and dollars.

Many of you brought in socks this week. Thank you! Thank you! We can use more.

To help fill our boxes we are asking that each student bring a NEW pair of socks in their size for their box.

Beginning Sept10 we will begin taking pictures and writing letters for our boxes.

Junior Librarians: We will be using Junior Librarians again this year. To be a JL each student must be up to date with their AR reading.

The Library is **closed** on Friday.
If you need to return a book, put it in the red crate by the door.

See you in the Library.

See You at the Pole

Home & School invites students and parents to 'See you at the Pole' Sept. 26th @ 7:30A. We will sing and have prayer for our country, school, and our families. Yummy beverage will be served.

Thank you for keeping our parking lots safe.
