Acknowledgement

Perhaps you sent a lovely card, or sat quietly in a chair.

Perhaps you sent a funeral spray, if so we saw it there.

Perhaps you spoke the kindest words that anyone could say.

Perhaps you were not there at all, just thought of us that day.

Whatever you did to console our hearts,

we thank you so much whatever the part.

The family of Marlon David Johnson.

When I Lost You

*I wish I could see you one more
time walking through the door,
but I know that is impossible.*

*I will hear your voice no more.
I know you can feel my tears and
you don't want me to cry yet my
heart is broken because*

*I can't understand why
someone precious had to die.
I pray that God will give me
strength and somehow get me
through as I struggle with this
heartache that came when
I lost you.*
