PARENT EDUCATION NIGHT

Home and School will be hosting a Parent Education night at BME on Wednesday, January 30 at 6:30 pm. The focus will be on the effects of media on children and we will view the film, Media and the Brain. Refreshments will be available. Come prepared to share and learn.

PIANO LESSONS

Parents, if you are interested in private piano lessons for your student(s), please contact Mrs. Trina Murphy as soon as possible to make arrangements. She has already begun giving lessons to some students here at BME.

EDUCATION SPOTLIGHT

Grades 1-4: We continue preparing for the geography bee, studying multiplication (3rd-4th), and enjoying IXL. In just 3 days, our class has answered almost 7,000 questions on IXL! It's a neat online program that lets students practice any math or language arts concept. If you have not already done so, ask your child about how many questions they've answered.

Grades 5-8: We are in high gear preparing for this year's Robotics competition. Last year our students did well in Tennessee. Please pray for our students that they will do their very best in practice so that it will translate to the actual competition. Thank you...Ms. Gravatt
