

*In Loving Memory of
Douglas S. Bewley*

On behalf of the families we serve, we thank you for the love
and support you have shown them by your presence at the
visitation and funeral ceremonies.

At the time of grief, it is important for families to be reassured
that people care about them.

There is great value in your support.

Someday, Life Will Get Better

I know you're sad today and
I wish I could help you get past your hurting...
but sometimes, it seems we just have to hurt a
while,
and no one can show us the way out...
we have to find it for ourselves when the time is
right.
For now, just know that it's alright to hurt
because I will help you with your hurt.
It's alright to cry. I will share your tears.
It is only through crying that you learn
what it's really like to laugh...
only after feeling sadness can you really experi-
ence joy.
So allow yourself to feel what comes naturally...
but know that someday life will be easier,
it will be easier to smile.
