*I know your heart is heavy,  
But this too will pass away.  
Just run back thru your memories,  
To a brighter, happy day.  
We all must make the journey,  
But if you know my Jesus,  
You never walk alone.  
For the God who made the universe,  
And breathed life into man,  
Is waiting in the shadows,  
To take you by the hand.  
Then there'll be no more parting,  
Pain and sorrow will be gone.  
And the angels will be singing,  
Another Saint just made it home.*
