🌀 Question to Ponder 🌀

1. What's at stake in the whole great controversy for every human being?
2. Why is this promise of a new existence in a new world so central to all that we believe and what good would our faith be without it?

🌀 Closing Thought 🌀

The New Jerusalem is referred to as the bride, the Lamb's wife. The New Jerusalem is the place that Christ is preparing for His people (John 14:1-3). The city is surrounded by a high wall with twelve gates - three gates on each of the four sides, allowing entry from any direction. This feature points to the universal scope of the city. In the New Jerusalem everybody has unlimited access to God's presence.

🌀 Closing Song 🌀

Hymn#216

“When the Roll Is Called Up Yonder”

🌀 Closing Prayer 🌀

HEALTH NUGGETT

A healthy life is all about *balance*. Balance between work and play, exercise and rest, family and friends. This is a perfect equation, when in balance. But like everything in nature, when the balance is off, problems arise. When we consume more energy than we expend, that energy is converted and stored as body fat.

Join us for a **FREE** exercise class on Mondays and Thursdays 6:00 – 7:00 pm Pleasant Street SDA Church
