

Willie Nelson always comforted Sherry, in life
and as she was passing with her family.

Remember her in good times
when you hear this song.

On the road again
I just can't wait to get on the road again
The life I love is makin' music with my friends
And I can't wait to get on the road again

On the road again
Goin' places that I've never been
Seein' things that I may never see again
And I can't wait to get on the road again
