Autumn 2021

An emergence, a new start, a restart, a new school year gives opportunity for connection, re-connection and church in circles.

Why not make a fresh start, a re-start or a new start in Kingsland by joining one or more of the many groups or activities that will help you make new friends, learn something new, deepen fellowship, or grow spiritually?

In this brochure we've pulled together many of the things that we are doing as a church, though new groups are being formed all the time so look out for others as well. Some of them are 'drop-ins', most need a regular commitment. Some are on zoom*, some in person and some a hybrid. Of course that may change if there are further restrictions on gatherings.

To make the most of Kingsland we recommend -
 belonging to a congregation where I'm inspired and encouraged,
 being involved in a small group where I'm known and can ask,
 serving in ministry where I can give out and grow.

Our Congregations are 9.15, 11am and 6.30pm on Sundays, Wednesday at 1 and Messy Church on the first Sunday of the month at 3.30pm ...
