A Great Lady was my Mom,
She was always there for me,
Through thick and thin, She could always see
She was always a Mom and a friend to me.

She was the best Mom for years,
And she never blinked; hardly a tear,
To take care of our Family,
Whom to her was in her Heart, and very Dear.

I consider myself a very fortunate Man,
To have had my Mom with me all these years,
My Precious Mom who always cared,
And who always tried to make it clear...

To be friendly, be kind, and be nice,
As she always was for her entire life.
After 95 years, Mom, you gave it your all.
And in the end, God Bless You, Heaven has called.

Rest in Peace, Mom

Love, Steve
