

Acknowledgement

We the family wish to extend our sincerest appreciation to our family and friends for all acts of kindness shown during our moments of sorrow. The Lord has been good to us and we thank you for being there with us. May God forever bless and keep each of you in prayer.

“They say there is a reason, they say time will heal. Neither time or reason will change the way I feel, selfish of me to think we had plenty of time to fix what was broken, but our time was cut short so we'll never get to that part and I regret not saying I love you more often when you was here but now I'll be waiting another lifetime. I love you Mama”

I will forever cherish you as my mother! Thank you for being mine! Toy-Toy

I will always love you, Ma! Mel

I love you, Mama, and I will always forever remember and miss the laughter and joy you brought you will live in my heart for always and forever!

Mother

By Sarah Malin

*Your arms were always open when I needed a hug.
Your heart understood when I needed a friend.
Your gentle eyes were stern when I needed a lesson.
Your strength and love has guided me and gave me wings to fly.*

She wasn't the best mother, but she was my mother, and I wouldn't change her for the world. I really can't believe you're gone, Mama. You know waking up in the morning is the hardest part about losing someone, something about sleep convinces you that you'll wake up with a fresh start. But every morning I wake up, I remember you're gone. I told you Mama, just to hold on, I had a little bit more to do, and I was on my way home. But I guess the fight got too great and God called you home. I love you so much Mama, and I'm sorry I wasn't able to be there to say goodbye. I'm going to miss you my lovely...rest in paradise.

Your, Redhead Red
