Although our worlds are different now
Or is that just how it seems
For I see you when I close my eyes
Because you're always in my dreams

I know you're up in Heaven And looking down on me
And when I look up at the stars I know that's where you'll be

Even though I miss you You're not too far away
Because my heart is full of memories And I treasure them everyday

Our time on Earth was special
But it's only the very start
So please keep watching over me
While we're not so far apart

Someday the time will come
When I no longer feel this pain
That is the day when Heaven calls
And we will meet again

I Love You Bae Love Howard

We had a wonderful mother,
One who never really grew old;
Her smile was made of sunshine,
And her heart was solid gold;
Her eyes were as bright as shining stars,
And in her cheeks fair roses you see.
We had a wonderful mother,
And that's the way it will always be.
But take heed, because
She's still keeping an eye on all of us,
So let's make sure
She will like what she sees.

We Love You Mommy !!

Love Always Arturo, James and Shavina

Grandma ,

With the gift of years comes the treasure of
Knowing that there are many who love you dearly.

The memories you've made with us will last forever.
The tenderness you've shared with us will never fade.

The most wonderful gift you could ever give is the
Special part of you that now lives in each of us.

And the truth your love has taught us
Can only be strengthened by the gift of time.

For where roots grow deep, memories grow forever.

Love Always and Forever Tanky
