

Sunset, Sunrise

*How lovely is a sunset
at the ending of a day.
Beauty from the falling sun
can take one's breath away.*

*When the sun sets on our lives
and this earthly body dies,
we'll awaken to the beauty
of a glorious sunrise.*

*And with our new awakening
we'll find joy we've never known
in the beauty of God's Heaven,
and our new eternal home.*
