

### ***After Glow***

*I'd like the memory of me  
To be a happy one.  
I'd like to leave an afterglow  
Of smiles when life is done.*

*I'd like to leave an echo  
Whispering softly down the ways,  
Of happy times and laughing times  
And bright and sunny days.*

*I'd like the tears of those who grieve,  
To dry before the sun  
Of happy memories that I leave  
When my life is done.*
