“When difficulties and trials surround us, we should flee to God and confidently expect help from Him who is mighty to save and strong to deliver. We must ask for God’s blessing if we would receive it. Prayer is a duty and a necessity; but do we not neglect praise? Should we not oftener render thanksgiving to the Giver of all our blessings? We need to cultivate gratitude. We should frequently contemplate and recount the mercies of God, and laud and glorify His holy name, even when we are passing through sorrow and affliction.” E G White, Selected Messages 2 p, 268
