To LaToydra my miracle baby February 14, 1988 was one of the happiest days of my life. I thank God for our great start and I am so grateful to God for the time we shared. Although times were not always easy we made it. As I reflect back over the times we spent, I can only be grateful to God that I had you in my life. Thank you for the hugs, kisses, and love that you gave. I see so much of you; that beautiful smile, your jokes and all your apologies and explanations. Life without you is not going to be easy, but with the legacy you left, like I always told you, we will somehow get through with God's help. Even through my sorrow I know God will make a way. It pains me to know that this is one journey you must go alone. But in my heart I know you're with God. Rest easy my baby- Mommy will see you one day. I love you!
Love Mom

know that no matter what
You will always be with me.
When life separates us
I'll know it is only your soul
Saying goodbye to your body
But your spirit will be with me always.
When I see a bird chirping on a nearby branch
I will know it is you singing to me.
When a butterfly brushes gently by me so care freely
I will know it is you assuring me you are free from pain.
When the gentle fragrance of a flower catches my attention
I will know it is you reminding me
To appreciate the simple things in life.
When the sun shining through my window awakens me
I will feel the warmth of your love.
When I hear the rain pitter patter against my window sill
I will hear your words of wisdom
And will remember what you taught me so well
That without rain trees cannot grow
Without rain flowers cannot bloom
Without life's challenges I cannot grow strong.
When I look out to the sea
I will think of your endless love for your family.
When I think of mountains, their majesty and magnificence
I will think of your courage for your country.
No matter where I am
Your spirit will be beside me
For I know that no matter what
You will always be with me.
