EACH LIFE IS A SONG

*A life is like a song we write
In our own tone and key,
Each life we touch reflects a note
That forms the melody.
We choose the theme and chorus
Of the song to bear our name,
And each will have a special sound,
No two can be the same.
So when someone we love departs,
In memory we find,
Their song plays on within the hearts
Of those they leave behind.*
