# Walk with HIM

Foothills camp meeting 2013 is coming to a close. Tomorrow or earlier most of us will return to our normal routines. I trust, however, that we will determine to Walk with HIM more closely. Camp meeting has been successful, not because of any one person, but rather all - campers, volunteers, presenters and employees - have made camp meeting meaningful. Thank you everyone! It's difficult to give recognition to everyone who contributed, not because some are more important than others, but because there are many unobserved services that impact the total operation. In some cases the camp would close if it was not for these - yet their work is taken for granted; for example custodians cleaning washrooms, or electricians changing light bulbs. On the other hand are the highly

visible services such as the speakers, musicians, young people division leaders, and those who decorated the main pavilion. We have all been blessed and we have also been a blessing. The real acknowledgement goes to our Savior, Jesus Christ. It's ironic that the very One whom we come to worship is the One who makes it possible to do so. As a lad of ten, I would ask my Dad for money so I could buy him a Christmas present. Jesus said, "If you then, who are evil, know how to give good gifts to your children, how much more will your Father who is in heaven give good things to those who ask him!" Matthew 7:11  
Remain faithful and may God bless you!  
—Ken Wiebe, President

## 21 YEARS OF DEDICATED SERVICE

The Alberta Conference would like to thank Pastor Frank Johnson for 21 years of dedicated service to Foothills Camp radio 106.3 FM. Frank and his wife Yvonne have been married for 53 years. In a recent interview with Johnson, I learned that his passion for radio began in 1961 while doing some announcing on VOAR in Newfoundland. It was during this same time that he acquired a Federal announcing & operation license for radio from CRTC. The Johnson's have lived a life of service to God's work from teaching in the class-

room, to Captain of the Northern Light (a mission ship that traveled along the coast of BC offering Bible studies to lighthouse operators and coastal communities), to pastor of numerous churches throughout Canada. Some of the areas where Johnson pastored in Alberta include: Edson & the northern district, Edmonton, Leduc, Sherwood Park, Sedgwick, Ryle, Camrose, Peace River and Hobbema. Frank was diagnosed with cancer 13 years ago. His doctor calls him "A Living Miracle" because no one has survived past five years with his type of cancer. This year, as Frank passes the torch of Foothills Camp radio, I pray that God will continue to give him health and strength as he faithfully serves the Lord.
