Principal's Message

A word from Mrs. Bryant

It might not surprise you, but I really love a good numbered list. Bullet points are my absolute favorite.

I'm the same way when it comes to my faith. When I'm having doubts or struggling with fears, I turn to the following list to help me remain courageous in God.

- 1. Remember God's past faithfulness.** We can all tell stories of ways God has helped us in the past. Let's not forget these and let's not forget to tell these stories to our kids!
- 2. Reflect on God's character.** We know who God is and His personal interest in each of us. Nothing has changed.
- 3. Receive God's wisdom.** This can be everything from personal Bible study to an awesome praise service at Church.
- 4. Remain confident in God's promises.** God is a promise keeper. Numbers 23 tells us that He promises and *He fulfills*.

When you're wrestling with difficult circumstances, trust that God has not forgotten you.

Uniform reminder

As it gets warmer outside, many students are hoping to forgo the leggings or tights underneath their skirts in favor of shorts. This is okay, but please remember that for students who choose to wear skirts to school, something must be to the knee - either the skirt itself (with shorts underneath) or if the skirt isn't to the knee, the shorts underneath should be. Our kids grow fast and skirts that were long enough in September aren't keeping up with growing legs in April!

Also, please remember our sweatshirt/sweater policy. If a student wishes to wear a sweatshirt or sweater inside the school, it should be solid colored red, black, white, navy blue, light blue, or forest green. Any (appropriate) sweatshirt a student wears outside is okay.
