

"About Me" ("Flossy")

*One thing about me every day and
everywhere I step I was fly in which earned
me the name "Flossy"*

*The most decorated son, best brother and
greatest father I never profess to be.*

*Hopefully for my imperfections my mother,
brother/sister and kids someday forgive me.*

*Despite some of my actions I've always have
and will love you all unconditionally.*

*Ignore the gossip and hate that the PERFECT
ones may whisper their flaws will unfold
eventually.*

*I didn't live my life chasing clot or trying to
leave recognizable legacy.*

*But I'll be forever be stamped as one of the
best barbers in the city.*

*And I'll forever be known as one of the flyest
dressers from the "HV".*

*So when names are called as best barbers
and staying fresh you can't forget "Flossy".*

*I guess I did something that awarded me
lifelong notary where you'll always
remember me...*
