

If You But Knew

*If you but knew
How all my days seemed filled with dreams of you,
How sometimes in the silent night
Your eyes thrill through me with their tender light,
How oft I hear your voice when others speak,
How you 'mid other forms I seek—
Oh, love more real than through such dreams were true
If you but knew*

*Could you but guess
How you alone make all my happiness,
How I am more than willing for your sake
To stand alone, give all and nothing take,
Nor chafe to think you bound while I am free,
Quite free, (still yet), to love you silently,
Could you but guess...*
