Timelines

Calendar

Last week we completed our daily timelines and this week students will begin making their personal timelines. They're saving extra space at the end, and when they bring it home, they can add on more special events.

Clean Desk Award

Being organized is an important skill! If your child receives a clean desk award, please sign your name somewhere on the award and send it back to school in the Take-Home folder. Your child will receive a Rogers Dollar.

Library Books

Since the library is not allowed to have students browse for books this year, our librarian, Mrs. Campbell, is bringing a selection of books to our classroom each Friday for the kids to choose from. In order for her to know who can check out, **all books need to have been returned on Wednesday** so they can be processed. Please ask your child to keep all library books in his/her backpack when not reading them. That way they'll always be available to return at school. We want to help Mrs. Campbell!

Word of the Week

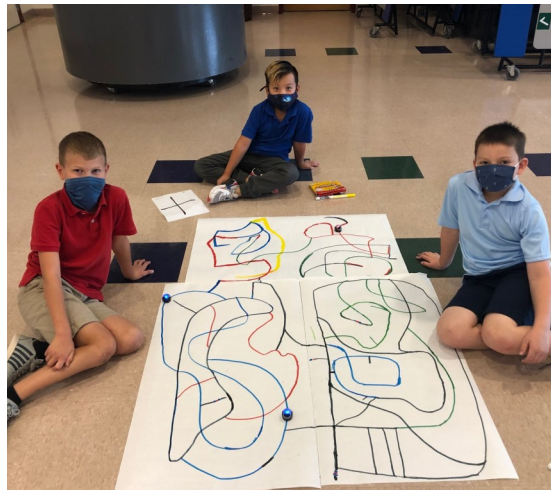

REMARKABLE

Spelling Words

Spelling will begin next week. The first word list will be sent home this Friday.

This Week -

We're finishing our study of creation this week with a creation race game and this memory verse: "And God blessed the seventh day and made it holy, because on it he rested from all the work of creating that he had done. Genesis 2:3

Overdue Library Books

All library books are due on Wednesday this year.
