CLOTHING STUDY

This week, we studied where clothing comes from, materials used to make clothing, and construction of clothing. The students tried their hands at weaving on our class loom and wove their own paper creations using an over/under repeating pattern. We matched socks and learned what a "pair" means. We have talked about how to take care of our clothing and investigated different types of detergent. I asked the students to help you with laundry this weekend!

Next week, we will still cover some topics related to clothing, but will take somewhat of a break to talk about themes related to Red Ribbon Week, which is a nationwide anti-drug campaign for school kids. For our age students, we will present with the idea of only putting healthy things into our bodies without talking too much about specific substances. We will participate in the dress-up themes for each day: (Monday – wear red, Tuesday, wear Hawaiian attire, Wednesday – wear sports attire, Thursday – wear fun or mismatched socks).

CLASSROOM ITEMS

- SVAE has scheduled parent/teacher conferences for Wednesday, Nov. 4. There is no school that day. I am available for conferences in person or via Zoom videoconferencing. [Conferences for Pre-K are not required.](#) If you come in person, your child is welcome to attend with you, but they must stay with you while you are in the building. No childcare is provided in the gym.
- On Tuesday, Oct. 27 at 10:30 am, the New Market Fire & Rescue will be presenting to us. This will tie into our clothing study, as well as emphasize topics from Fire Safety Month (October).
- If your child does not have the red SVAE field trip polo shirt, please see Mrs. Reedy at the front office to order one.
