Back to School Night

We are planning our Back to School Night via Zoom this year, because of the restrictions that are in place. It will be on **Thursday, September 3**, beginning at 5:30 P.M. and ending around 7:30 P.M.

Schedule:

Grades K-2 5:30 – 6:00 P.M.
Grades 3-5 6:00 – 6:30 P.M.
Grades 6-8 6:30 – 7:30 P.M.

Attendance is required for:

1. **New families**
2. **K-2 Students**
3. **All families of students who have moved up to a different classroom**

Spirit Day

The September Spirit Day will be on Friday, September 25. The theme is Hispanic Heritage Day.

Hot Lunch

We will be starting our hot lunch program with pizza each Friday, beginning on Friday, September 11. If you are able to volunteer to help with hot lunch we will be able to add more Hot Lunch days.

School Pictures

School Pictures will be taken on **Wednesday, September 16**. More Information has been sent home in your packet.

Parking

We are working hard on logistics for keeping students safe while also social distancing as much as possible. To help us facilitate this please park in the designated area for K-2 only if you have students in that classroom. There are signs up on the lamp post and the tree, marking the area. Thank you for your cooperation.

Creation Science

Big Wave Dave has a really fascinating presentation for us showing how science and creation work together.

MAP Testing

This year we will be doing a new type of online formal assessment testing for grades 1-8. This test will be administered 3 times throughout the school year to assess individual growth. Each classroom has their own days for this testing. As it is new, the teachers are going through some training for it, which means we have a few minimum days, so that they can have time to learn how to properly administer the test. Please check your school calendars for those minimum days.

“May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.”
