Steven Craig Neiffer was born August 13th, 1958 in Rapid City, SD to Hiram and Jeannette (Oleson) Neiffer. The family moved to Hill City, SD in 1972 where Steven graduated High School in 1977. After graduation, he moved to Gillette, WY and was employed at Wyodak Mine. Steven later worked at PTI Transportation for many years as the crew van driver for the railroad depot workers and was still working there until the time of his passing. It was during these years that Steven formed many lasting and meaningful relationships, that spanned many years, touched many hearts, and made for many memories. Steven met and married Linda Harrod on September 21st, 1985, in Gillette. Together, their life became one of bingo, country music, travel, fishing, and attending classic car shows. Steven was also a long-time member of Trinity Lutheran Church and a member of the Black Hills German Club. Steven is survived by his son, Mark Neiffer; siblings, Vicki (Bob) Olsen, Lisa (Mark) Rabenberg, Gwen Andrews, and Ronald Neiffer, all of Gillette. He also leaves behind his baby girl, Mouse, who was his constant companion, as well as Steven's close friends, Amber Brown and her daughter (Raynen). Steven was preceded in death by his wife, Linda; parents, and older sibling, David Patterson. He was forever proud of his nieces and nephews and enjoyed visiting with them as often as he could; Chris (Kodi) Olsen, Andy (Britnee) Olsen, and Kelli (Crittter) Zimmerman, Wesley Rexin, and Alex Rexin, all of Gillette; Jana (Corey) Virtue of Custer, SD, and Houston (Lauren) Rabenberg of Casper, WY; numerous great nieces and nephews; and Aunt Elaine Nelsen of Rapid City, and Aunt Audrey Neiffer of Kadoka, SD.

DECEMBER 1, 2023

God hath not promised
skies always blue,
flower-strawn pathways
all our lives through;

God hath not promised
Sun without rain,

Joy without sorrow,
Peace without pain;

But *God* hath promised

Strength for the day,

Rest for the labor,

Light for the way,

Grace for the trials,

Help from above,

Unfailing sympathy,

Undying love.
