#### **Words of Inspiration**

Wouldn't it be wonderful if you never again had an anxious thought? If you never had to worry about what someone would think if you took this course or that? If you never had to worry about what might happen tomorrow, next week, or next year? Yes, we would be sad for the person who misunderstood us. We would pray for them to have peace, but we would walk around with joy in our heart in spite of it all! God has said "You will keep him in perfect peace, Whose mind is stayed on You, Because he trusts in You" Isaiah 26:3. Do you believe it? Have you experienced it? If our lives are truly "hid with Christ in God," we won't to be anxious about anything. In childlike trust, we will put our feelings, our plans, our health, our life in His care. The next time you your stomach is in a knot because you can't fix a situation, the next time you lay in bed awake because of worry over your family, remember He offers you peace. Let Him have it all and consciously commit to trust Him. He already knows about the situation and He will work all things out for our good! He sees what we don't see, knows what we don't know, and can fix what we have no clue how to fix!

Romans 8:28 "And we know that all things work together for good to those who love God, to those who are the called according to His purpose."
