The family wishes to extend a heartfelt thank you and appreciation to everyone who rendered their expressions of love, their prayers, cards, telephone calls, food, and every act of kindness during our time of bereavement.

To My Moma,

Words can never express the abundance of love I have for you, being your baby girl and being by your side meant the world to me! No matter near or far I dedicated my life to being close to you no matter the circumstances, you were always my heart, my girl, my entire world. The best part of my days were calling you just to crack jokes, catch up on life, and make each other laugh for hours. Your big bright smile and extra tight hugs always gave me the greatest love ever, Moma you are so special to me! You truly enjoyed celebrating life, holidays, and most importantly your birthday. You will always be missed but I know you will continue to live each and every day through me and may your amazing spirit live on forever. Love always and forevermore, to my Moma, my favorite girl, my entire world.....

Your Beloved Baby Girl,
"Stinky"
