

How does that plane stay in the air?

When I get to the other side, what if I don't like it?

How do I come back?

Where did all these people in those cars come from?

What are they going to do when they open their water tap and only dust comes out?

How does that lady in your phone know so much?

How can Ruth talk to her sister in England and be sitting here in the kitchen?

What am I going to do when I get to the other side and I have two wives standing there?

NOW I KNOW

In Loving Memory
