Our Week

We began work on the 5th principle of CREATION health this week. It is **TRUST**. In this unit, we will focus on understanding the love of our great God and helping the kids begin to know what it means to trust Him. This week our Bible story was Daniel and the Lion's Den. We've also spent time practicing our 2-D shapes, reading some Dr. Seuss books and learning the difference between living and non-living things.

Letter of the Week

Letter of the week will be **Qq**.

Snack Helpers

Snack will be provided by: Monday-Nick; Tuesday-Raygann/Nic; Wednesday-Violet; Thursday-Wade.

Moving On Theme

Next week we will continue our **Moving On** theme as we talk about pioneer life, quilts, and the story

of Abram and how he learned to follow and trust God.

Letter of the Week

Our upcoming letter will be **Qq**.

Reading Books

It is that time of the kindergarten school year where we are putting a lot of focus on our little reading books. We are practicing as much as possible at school and sending the readers home as the children become fluent with each book. You can help them grow as competent readers by **saving** the books and listening to the kids read them DAILY. This can now be part of their reading log time.

1st & 2nd Grade

Mrs. Kay Sutherland

Remember to turn reading logs in every Friday!

Spelling test next Friday is on Lesson 22.

We are learning about our bodies in Science class right now. We have learned a lot about our bones and digestive system. Please talk to your children about things they can do to stay healthy.

Your children did a great job of reading to help the children on the other side of the world at L'esperance—10,000 miles away in Uganda! Thank you for helping your children find sponsors for the Read-a-Thon. All funds are due by next Friday.

Treasure Verse: "How great is the love the Father has lavished on us, that we should be called children of God! And that is what we are!" 1 John 3:1

3rd & 4th Grade

☺ **Thank you for supporting** our read-a-thon! Third and fourth graders have been gathering sponsors, and are reading a LOT Friday morning. It's not too late to help out! If you or someone you know would like to make a donation of any size to this project, you can do so online, or send your gift to the school with your child. We're so excited about making a difference in the lives of the students at L'esperance Children's Aid in Uganda.

☺ **On March 15 we will begin softball** during our PE classes twice a week, Mondays and Wednesdays. For their safety, it is very important that each student has a softball glove that fits them. Please make sure your child has a glove at school (clearly marked with their name) by March 15. Let's play ball!

☺ **Social studies chapter 9 test** is next Thursday, March 11. Students should be studying their notes.

☺ **Spelling words for next week** are in the white envelope today--Theme 7, Week 3 words. Spelling tests are on Friday.

☺ **Treasure verse quiz next Friday, March 12:** "But only one thing is necessary. Mary has chosen what is best, and it will not be taken away from her." Luke 10:42 CEV

5th & 6th Grade

In Bible this week the students continued to study about Jonah and forgiveness. We read stories from the

Bible about forgiveness and had great discussions. We worked puzzles, built towers, destroyed them and talked about flexibility and forgiveness.

In English we practiced finding parts of speech in sentences and read many books for Read-a-Thon! Thank you students for your participation and willingness to help other children in need.

In Science we completed our chapter on the Ocean, pollution, climate change, and ecosystems. We will test over chapter 10 next Tuesday.

In Social studies we are studying about Buddhism, the beliefs and origin. We are reading about The Maurya Empire and culture. The students made a poster and google slides on what they learned.

The students created beautiful and colorful Art representing the African culture for Art class. I love how creative many students were with their pictures. In PE the students have been playing Gaga ball and running the mile.

Remember to study for Friday quizzes. Have a great weekend!

7th & 8th Grade Mrs. Lisa Tonack

Library

Mrs. Jeanie Davis

A BIG thankyou to Ella Beck's family for donating kids' books to the library.

Come see the New Books

We have bought a lot of new books for grades 3-8.

Last Week's Question:

Who was Derek Jeter?

Answered by Myah Nash:

He was born June 26, 1974.

He played for the New York Yankees and was the 1st player to hit 3,000 hits for the Yankees.

Check out the book and learn more interesting facts.

-Question of the Week -

Who was Frank Lloyd Wright?

(when was he born and what was he famous for?)

See you in the library!
