

# Acknowledgements

The family of Daniel would like to thank everyone for their kind words, gifts, care, thoughts and other acts of love throughout the life, and during the passing of our precious baby boy. Your kindness is greatly appreciated and will never be forgotten.

## Psalms 127:3

Children are a gift from the LORD; they are a reward from Him.

June 27th  
2023

Heaven gained a sweet angel on June 27th, 2023, Daniel Rojas. Although we are heartbroken, we know that God has welcomed Daniel with open arms!!! Jesus said in Matthew 19:14, "Let the little children come to Me, and do not hinder them, for the kingdom of God belongs to such as these." Daniel now joyfully runs and plays with his healed body in God's kingdom.

Daniel, born February 19, 2015, brought so much joy to so many and he will be treasured forever in our hearts and memories! He was truly a special little boy!

Daniel has been through so much in his short life yet has been such a miracle! As he conquered each trial, he taught those who knew him so many life lessons; how to be strong, how to keep going no matter what, how to smile and laugh through it all... and so much more.

His mother, Lucy Cortes, too, has been such an inspiration as has so many in his family! Lucy has worked so hard to give Daniel an amazing life all while conquering the many daily tasks needed for his health. She made the amazing decision to donate Daniel's organs. Daniel will now live on in those he helped and bring so much happiness to others forever!

Daniel is survived by his mother, Lucy, stepfather Antonio Cortes, brother Ricardo and sister Emily. He will also be missed by his maternal grandparents Sammy Gonzales and Estela Serrano; his aunts Delfina Morales, Susie Cruz and Brenda Reyes and uncle Sammy Gonzales; many precious cousins; and the teachers, therapists, classmates and hospital staff who were blessed to be a part of his journey.

Thank you for your love, support and prayers for Daniel's family! Please continue to lift them up as they adjust to life without him.

In Jesus' name!
