

*There's a Special Angel
in Heaven*

*There's a special angel in Heaven
that is a part of me,
It is not where I wanted her to be
but where God wanted her to be.
She was here but just a moment
like a nighttime shooting star.
And though she is in Heaven
She isn't very far.*

*She touched the hearts of many
like only an angel can do.
I would've held her every minute
If the end I only knew.
So send this special message
to Heaven up above.
Please take care of my angel God
and send her all my love.*

*Forever
In Our Hearts*
