

Families are Forever

When tomorrow starts without me, please try to understand
That an angel came, and called my name, and took me by the hand;
The angel said my place was ready in Heaven far above
And that I would have to leave behind all those I dearly love.
But when I walked through Heaven's Gates, I felt so much at home
for God looked down, smiled at me, and told me "Welcome Home"
So when tomorrow starts without me don't think we are far apart

For every time you think of me

I am right here in your heart
