For Bible class in 7th and 8th grade we are studying the parable of the Prodigal Son. For most of us the story is familiar and we know the prodigal son was the “bad” son, the son that ran away and wasted his money and then came crawling back home.

But this week we studied the true definition of prodigal. prod-i-gal – wasteful, extravagant, generous, lavish, bountiful. We talked about how the older brother was bountiful in his harsh judgment, and how the father was extravagant in his love and forgiveness and excitement.

In his book, *The Prodigal God*, Tim Keller writes these beautiful words: “Jesus is showing us the God of Great Expenditure, who is nothing if not prodigal toward us, His children. God’s reckless grace is our greatest hope, a life changing experience.”

This is the God we are *Learning* about, *Growing* closer to, and *Shining* because of.
