

# Sutton Bonington Squash Leagues

We are moving back to SportHQ.com for the Club Management of our leagues and tournaments. This will be incorporated into our existing website domain via a new website, [www.sbsquash.co.uk](http://www.sbsquash.co.uk) ( without the www you will be directed to the old site – temporarily )

This will be linked live to SportyHQ.com. You should therefore use <https://www.sbsquash.co.uk> and the listed links from there. Some pages extract relevant information from sportyhq.

All existing registered players are listed from our previous association or have been copied over. All players should have received an activation email. All players need to log in to the website <https://sportyhq.com> and update their profile, contact details, etc

*The 2019 Handicap registration system is now live for entries.  
If you are unable to use the website including payment by card  
– I will on receiving the registration fee, enter you direct.*

*This event is being sponsored by Karakal and there will  
be additional minor prizes in the draw at the annual  
dinner. Winners and runners up all receive prizes.  
Surplus funds to The children's Rainbows charity in  
Loughborough.*
