*God + Me = Salvation*

*“The work of gaining salvation is one of co-partnership, a joint operation. There is to be co-operation between God and the repentant sinner. This is necessary for the formation of right principles in the character. Man is to make earnest efforts to overcome that which hinders him from attaining to perfection. But he is wholly dependent upon God for success. Human effort of itself is not sufficient. Without the aid of divine power it avails nothing. God works and man works. Resistance of temptation must come from man, who must draw his power from God. On the side there is infinite wisdom, compassion, and power; on other, weakness, sinfulness, absolute helplessness.” AA 482*
