## Acknowledgment

*When it seemed that our loss was too great to bear, we looked up to see friends and relatives there. People with encouragement and wisdom, printed and spoken, with faces that were smiling, and hearts that were open. you give us comfort, you share in our grief, and your words of faith increased our belief.*

*Special thanks to Bishop J. Douglas Wiley and the Life center Cathedral family for everything they have done to assist us. We are forever grateful to the musicians who assisted with the tribute. Thank you for your kindness and generosity. We would also like to thank Davis Mortuary services for making this difficult process a simple one.*

*To all who have called, visited, sent gifts, or prayed with and for us, we thank you. Know that God is not like man that He would forget your work and your labor of love. Expect a harvest.*
