The Association of Adventist Camp Professionals (AACP) is a non-profit organization committed to the values and benefits of camp ministries in the Seventh-day Adventist church. The mission of AACP is:

***“To equip and support camp ministry professionals as they advance the kingdom of God”***

Having a membership in AACP entitles all year round camp staff and board members to keep in touch with Adventist camping in North America by receiving the monthly E-News and periodic updates, vote at the regular and special sessions, attend the AACP conventions at discount rates, and to be a part of the collective voice of the Seventh-day Adventist camp professionals in North America.

**AACP CAMP MEMBERSHIP DUES FOR 2020**

To show a tangible way of supporting our AACP members through the COVID-19 pandemic the AACP Board made the decision to complement the AACP Membership Fees for 2020. It is expected that the funding need to host the AACP Convention 2020 will be drawn from the AACP Reserves we have.

We operate a Seventh-day Adventist camp (summer camp, year-round operation, or day camp). I acknowledge that membership in AACP is renewable annually, is non-transferable, and cannot be pro-rated nor refunded. The list on the reverse side has been completed/updated.
