For Today

You may know that I make my living as an environmental document editor. Every day, I am confronted with a myriad of acronyms, to shorten the lengthy words and phrases used frequently by government agencies, especially in responding to permit requirements for project construction and operations. Recently, I cam across a more important acronym that the ones that I see in my work, and I saved it to share with you.

Happy Sabbath!

Search me, Oh God, and know my heart. Try me, and know my thoughts. And see if there be any wicked way in me, and lead me in the way everlasting.
