Dear **Kristin Casey**,

Congratulations! You have completed the Sexual Health Alliance's AASECT-approved **Sexuality Counselor Certificate Program**. This means that you have completed over 150 AASECT and SHA CEs. Completing our program was a critical step in your career as a sexuality professional. This is a great accomplishment and we are proud to call you one of our graduates and a **SHA Certified Sexuality Counselor**.

We encourage you to stay in touch with the Sexual Health Alliance and take advantage of the many discounts we provide to alumni of the program. We will continue bringing you the best of the best in the sexuality field and don't want you to miss out on any of the amazing conferences, workshops, events, and other opportunities SHA provides.

Below, you will find your SHA Certificate. You will be receiving a hard copy of your certificate to your mailing address provided within the next 7-10 business days.

We are here to help you with your future work and can't wait to see what you achieve next.

Congratulations again on becoming a part of the SHA Certified Alumni Family!
